    - Landon Cameron
    - Greg Facey

5. **Approval of Spring Minutes**

    - Whitney Cottingham
    - Jessa Stowe

6. **Financial Report – Lisa Gies**

   No Change in Finances from Spring Meeting.

   Income $3000.00

   Approved: Whitney Cottingham Second: Jessa Stowe

7. **Statistician – Megan Gabrielle**

   Gamesheets Inc. Paperless game sheet system will be implemented this season.

8. **League Info**

   a. Each team will declare their status numbers by October 3rd
   b. Each team is to send in their executive and team contact information to Parkissimo by October 3rd

9. **Business Arising From Spring 2023 Meeting**

   a. Tiering U11/U13
   - Tiering committee presented rules and layout on 13U tiering
   - U13 teams choose which division (Gold, Silver, Bronze) they want to play
   - Allow tier teams within a community
   - Still play 1st and 2nd season with a re-tier of some teams if large discrepancy
   - Mid season re-tier if required would be decided by the executive

   Discussion

   Pilot Project
   Purpose:
   - For teams to have competitive games for entire season; increased development and improvement for all players within all divisions

   Process:
   - MHA's with U13 teams would choose which division to enter. Not each division would have the same number of teams and can be split into Divisions 1, 2 and 3.
   - Only MHA's with teams in this division would be involved in the discussion to arrive at an agreement of the division splits. Final approval provided by league executive.
   - Schedule to be planned for half the season; with as many games as agreed upon. Depending on # of teams in each division. League executive will look at standings and determine any movement of teams between divisions.

   Example: if a team won every game in Division 2, they could be moved to Division 1. First half of season to be completed by December.
   - If a town has more then one team, they have the option to play in more than one division.
   - The more teams allowed in the league, the better to allow the system to work.
   - This structure has eliminated blowout games in Pembina Valley.

Motion to approve pilot project for U13 division for 1 year as presented by Gerald Lepp.
Motion: Gerald – Rivers Second: Shelby – Virden

Approved - Votes: 9/14

b. Gamesheets Inc.

- Every community purchases their own IPad for electronic gamesheet.
- Parkissimo is paying for membership this season
- Try it out for 1 year
- With this system keeping stats would be automatic.
  - Group Voted No to keeping stats 4/14
- Nothing more to discuss until setup

c. Travelling during playoffs

General Discussion

- Try and limit the amount of weekday playoff games
- Try and limit travel within 1 hour for U9 during the week
- Look to limit the amount of tournaments teams can enter during playoffs to avoid weekend scheduling conflicts.
- Onus is on the team managers to keep times open for playoff games and keep in mind possible travel times for weekday games.
- No changes proposed at this time, revisit if needed at the spring meeting.

10. New Business

a. Reinstate EOS into League

- Motion to reinstate EOS with condition they will be in charge of Parkissimo League books next year
- Motion : Boyd Canart - Elkhorn Second: Landon Cameron - Neepawa
- Approved - Votes 13/14

b. Regional Development Weekend

- Develop weekend for kids who want to play more hockey (competitive and fun for them)
- Idea of blackout weekend each month - only one age/gender per weekend
- Kids that want a weekend off can have it off and kids want to play have a weekend to practise as a team
- Maybe Practise sessions or make up teams and play exhibition games
- No try outs, anyone can join
- Would look for support from the league on pilot project
- Yellowhead board will run the trial project in Manitoba

c. Correspondence from members

- Regarding U9 faceoff procedure after goal – Jeff Popple
- Implement faceoffs after goals would give the kids more structure and consistency
- Hockey Manitoba states play must be continuous and can't stop for faceoffs
- After a goal the refs are to make the team that scored back off so the other team and regroup.
- Follow the actual procedure outlined in the PHL Procedure Manual and make it the same for everyone
- Hockey Manitoba/ PHL Procedure Manual Guidelines need to be read at parent meeting for awareness
- Email will be sent to coaches and refs to follow Hockey Manitoba/ PHL Procedure Manual Guidelines
- Megan will email out to U9 Managers

d. Correspondence from non-members and vote results

Requests from teams to join league for 2023/24 season and vote results

1. Pine Creek – Jalen
   U11 7 registrations so far but look to make team
   U11 – 1/14 – Voted Out
