    i. Motion: Craig Anders, Andrew Dobson, Carried

4. **Treasurer's Report (Eric Bjornson)**
    i. Motion to approve financial report

    Accept Report: Motion to approve Jenn Sellman, Rick (Birtle), carried

5. **President's Report**
    i. Apologies for playoff structure challenges. It would be nice to have playoff structures put into place in writing and made available online.

ii. Updates to the procedure manual:
    1. APs Need minimum 3 league games to play in playoffs (board approval for exceptions)
    2. Icing rules
    3. Double Rostered Teams: concern about kids that have double rostered outside our region. Agree we should not allow double rostered co-ed players to participate in the Parkissimo league within the same age group (not including AP's etc.)
    4. Add playoff bracket structure
    5. Add Tie Breaker Structure: Win %, then follow Review Hockey MB Tiebreak Formula
    6. Updates to be made by Kellie then circulated for review prior to the Fall Meeting

6. **Webmaster/scheduler/statistician Report (Kellie Jewitt)**

Kellie Jewitt: Was a lot of learning in this first year. 512 games scheduled this year. Appreciate the patience and respect received from everyone. Planning to run similarly to how Megan ran things in terms of scheduling. Please send ice times, blackout dates, please keep league games a priority over tournaments as best possible.

Questions for Kellie: was there a lot of rescheduling of games? Kellie yes, there was a lot of rescheduling, for the most part with lots of notice.

7. **Old Business:**
    i. Tiering
        1. Ryan: Summary of why we did what we did this year. General discussion. Seems like there is an appetite for bringing tiering back to U11 & 13 (not really needed for U15). Will be drafted for discussion at the Fall 2026 Meeting.
    ii. Scheduling

8. **New Business**
    a. **Playoff Structures**
    b. **Request for Parkissimo Membership:**
        1. **Grand Plains -** Voted in

2. **Dauphin** - Voted no but let them know we will plan to accept their U11 teams for 2026/27 so they can plan accordingly and encourage them to apply next year.

c. **Ref Clinic Blackout Date?** Not much interest

d. **Weekday Games:** - ideally not more than 1 hr travel for weekday games

e. **Number of League Games** - discussed previously

f. **Avoiding teams dropping out -** ideally registration opening soon so associations have a good idea of team status by the Fall meeting. Maybe we can post some guidelines for local associations

g. **Digital Communication**

1. Some challenges with communication this year. Need to have clean contact info (email and phone) for each team's manager to allow for more direct communication.
2. Ideally post most relevant information on our Website so people can reference it and have less questions for the league manager and league board.

9. **Next Meeting Date & Time:** Tuesday, September 29th, 2026

10. **Motion to Adjourn** Craig (Roblin)
